SUBJECT: **FLEMING AND BARNES, INCORPORATED (dba DIMONDALE  
ADOLESCENT CARE) - A GROUP HOME FOSTER CARE CONTRACT  
PROVIDER - FISCAL REVIEW**

At the request of the Department of Children and Family Services (DCFS), we reviewed the fiscal operations of Fleming and Barnes, Incorporated, also known as Dimondale Adolescent Care (Dimondale or Agency), from January 1 through December 31, 2009. Dimondale is licensed to operate four group homes (GH), each with a resident capacity of six children. Dimondale is located in the Fourth Supervisorial District.

DCFS and the Probation Department contract with Dimondale to care for foster children placed in the Agency's homes. DCFS paid Dimondale \$5,891 per child per month, based on a rate determined by the California Department of Social Services, for a total of \$1,638,647 in 2009.

The issuance of our report to your Board was delayed in part by changes in federal and State regulations regarding possible repayment of questioned costs from fiscal audits. To enable Dimondale to begin taking corrective action as soon as possible, we discussed the findings and recommendations from our review with Agency management on August 24, 2010.

**Summary of Findings**

We identified \$100 in unallowable costs, and \$3,263 in unsupported/inadequately supported costs. Dimondale also needs to strengthen controls over its

payroll/personnel records, bank deposits and fixed assets. Details of our findings are discussed in Attachment I.

We have recommended that DCFS resolve the questioned costs and collect any disallowed amounts. DCFS should also ensure that Dimondale management takes action to address the recommendations in this report and monitor to ensure that the actions result in permanent changes.

### **Review of Report**

We discussed our report with Dimondale management and DCFS on February 8, 2011. The Agency's response, which is incorporated into DCFS' Fiscal Corrective Action Plan (Attachment II), indicates the Agency's general agreement with our findings and recommendations.

This audit is not intended to be, and does not constitute, the discovery or identification of an overpayment for purposes of the federal Improper Payments Act, related California State laws, including but not necessarily limited to Welfare and Institutions Code sections 11466.23, 11466.235, 11466.24, etc., nor State regulations intended to implement either the federal Improper Payments Act or related provisions in State law. This audit is intended solely to assist DCFS in managing its contractual relationships. Consequently, this report will be forwarded to DCFS in order that it might take further action, as it deems appropriate, based on its contents. Such further action may, or may not, include the discovery or identification of an overpayment for purposes of federal or State law.

We thank Dimondale management and staff for their cooperation and assistance during our review. Please call me if you have any questions, or your staff may contact Robert Campbell at (213) 253-0101.

**REVIEW OF EXPENDITURES/REVENUES**

We identified \$100 in unallowable expenditures and \$3,263 in unsupported/inadequately supported expenditures. Details of these expenditures are discussed below.

**Applicable Regulations and Guidelines**

Dimondale is required to operate its group home (GH) in accordance with the following federal, State and County regulations and guidelines:

- GH Contract, including the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook)
- Federal Office of Management and Budget Circular A-122, Cost Principles for Non-Profit Organizations (Circular)
- California Department of Social Services Manual of Policies and Procedures (CDSS-MPP)
- California Code of Regulations, Title 22 (Title 22)

**Unallowable Expenditures**

Dimondale incurred a \$100 civil penalty assessed by the California Department of Social Services. Circular A-122 Section 16 states that penalties are unallowable expenditures.

**Unsupported/Inadequately Supported Expenditures**

A-C Handbook Section A.3.2 states that all expenditures must be supported by original vouchers, invoices, receipts, canceled checks or other documentation. Unsupported expenditures will be disallowed upon audit. A-C Handbook Section C.1.5 states that only expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the program are allowable.

We identified \$3,263 in expenditures that were either unsupported or inadequately supported. Specifically:

- \$3,093 in inadequately supported credit card-expenditures. The Agency did not provide sufficient documentation, such as original itemized receipts or invoices, to show how these expenditures benefitted the GH program.

- \$170 in inadequately supported cell phone expenditures. The cell phone bills indicate that many of the calls originated in and were made to phone numbers in the Oakland area. We noted that one agency cell phone was issued to an independent contractor, who is a relative of the Assistant Executive Director. The contractor had worked for the Agency in the past, but resided in Oakland when the calls were made. Dimondale management indicated that these calls were not GH-related.

### **Recommendations**

1. **DCFS management resolve the \$3,363 (\$100 + \$3,263) in unallowable and unsupported/inadequately supported expenditures, and collect any disallowed amounts.**

#### **Dimondale management:**

2. **Ensure that foster care monies are used for allowable expenditures to carry out the purpose and activities of the Agency.**
3. **Maintain adequate supporting documentation for all Agency expenditures, including original itemized invoices and receipts.**

### **CONTRACT COMPLIANCE AND INTERNAL CONTROLS**

We noted some contract compliance issues and internal control weaknesses. DCFS should ensure that Dimondale management takes action to address each of the contract compliance and internal control recommendations in this report. DCFS should also monitor to ensure the actions result in permanent changes.

### **Untimely Deposits**

Twenty-two County warrants issued to the Agency, totaling \$21,972, were deposited into the Agency's bank account an average of 23 days after the warrants were issued. One warrant was deposited 141 days after it was issued. A-C Handbook Section B.1.2 states that collections totaling \$500 or more should be deposited within one day of receipt. Collections of less than \$500 may be held and deposited weekly, or when the total reaches \$500, whichever occurs first.

To ensure that receipts are not lost or stolen, and to improve cash flow, Dimondale should ensure that County warrants are deposited timely, and consider having the payments electronically deposited directly into the Agency's bank account.

**Recommendation**

4. **Dimondale management ensure that warrants are deposited timely, and consider having the payments electronically deposited directly into the Agency's bank account.**

**Payroll/Personnel Records**

CDSS MPP Section 11-402 requires that supporting documentation be maintained for all program expenditures, including employee pay rates. In addition, A-C Handbook Section B.3.2 indicates that personnel records should include employee pay rates.

We reviewed the personnel files and payroll records of 14 employees and noted that nine (64%) employee personnel files did not contain current authorized pay rates. However, we determined that the employees' pay rates were reasonable based on the Child Welfare League of America (CWLA) Salary Study.

**Recommendation**

5. **Dimondale management ensure personnel files contain current pay rates approved by management.**

**Fixed Assets Inventory**

A-C Handbook Section B.4.2 states that an inventory of all fixed assets should be conducted at least once each year to ensure that fixed assets are accounted for and maintained in proper working order. The Agency had not conducted an inventory of fixed assets since 2006.

**Recommendation**

6. **Dimondale management conduct an inventory of fixed assets at least once a year to ensure that all assets are accounted for and maintained in proper working order.**
